A home cooked meal is waiting for you at your lovely family orientated accommodation tonight to enjoy with wonderful hosts on a real working sheep & beef farm.

Day Two – Skeet & Target Shooting + Hunt

Start your day with some skeet shooting and target practice before heading out into private land and native forest for an afternoon of goat hunting.

Save your energy though because tonight you will be trying your luck at catching a long fin eel, one of the largest eels in the world and only found in New Zealand. Then a nocturnal shoot for brushtail possums.

Day Three – Full Day Hunting

Spend the morning hunting rabbits, turkeys and other small game. Fuel up at lunch time with a home-cooked meal and head out again on the hunt for pigs deer and goats.

Evening options tonight include relaxing with a nice cold beverage or heading out for another nocturnal shoot.

Day Four – 4WD Tour and Rail Cart Adventure

Rest your legs today and enjoy a 4WD Tour into the back country down a 17km paper road that was abandoned during the great depression in the 1930’s. This is a great day to get your camera out for some stunning photos of some rugged New Zealand hill country.

Follow the tour with lunch at New Zealand’s one and only republic, Whangamomona then enjoy a rail cart adventure and discover the Taranaki end of the abandoned Stratford Okahukura Railway Line.
